

**Bureau of Primary Health Care EHE Webinar Series:
Alternatives to Daily PrEP: Injectables and "PrEP on Demand"
April 11, 2024, noon to 1pm, held on zoom**

CME CODE: 24256

TARGET AUDIENCE: Physicians, physician assistants, nurse practitioners, RNs, MAs, patient navigators and other clinical team members.

LEARNING OBJECTIVES: As a result of attending this program, participants should be able to:

- 1) Describe the currently approved PrEP options and updated PrEP clinical guidelines
- 2) Identify strategies for assessing patients for PrEP in a primary care setting

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Drexel University College of Medicine and the Health Federation of Philadelphia. The Drexel University College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement: The Drexel University College of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: This program is eligible for 1.0 credits in Category 2A of the American Osteopathic Association.

To claim continuing education contact hours, attendees must:

Be registered as a participant.

Be present during the online participant check-in and for the duration of the activity

Complete the post training evaluation.

FACULTY DISCLOSURE STATEMENT

It is the policy of Drexel University College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience any relevant commercial interest (which is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients). Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

Requirements to receive credits: Continuing education credits will be awarded to those who sign the discipline-specific sign-in sheet, attend the entire program and complete a program evaluation.

FACULTY DISCLOSURE(s): Dana Serafin, CRNP, FNP-BC has no financial relationships to disclose.

PLANNING COMMITTEE DISCLOSURES: Debra D'Alessandro, MPH and Jennifer Kolker, MPH have no relationships to disclose. Helena Kwakwa, MD, MPH discloses her institution formerly received a research grant from ViiV, however the financial relationship has since been divested.

FUNDING ACKNOWLEDGMENT: This project is supported by the Health Resources Services Administration (HRSA) Bureau of Primary Health Care and HIV/AIDS Bureau (HAB) of the U.S. Department of Health and Human Services (HHS) under grant number U10HA29295. This information or content and conclusions are those of the author(s) and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS, or the U.S. Government.
