

CME: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the WVU School of Medicine and PA/MA AETC. The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The WVU Office of CME designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credits*TM. Physicians should claim only credit commensurate with the extent of their participation in the activity.

This AMA approved program is accepted by the WV Board of Dental Examiners.

Disclosure Policy: It is the policy of the WVU School of Medicine Office of Continuing Medical Education to ensure balance, independence, objectivity, and scientific rigor in all its educational activities. All faculty/authors/planners participating in our programs are expected to disclose any relevant relationships they may have with commercial companies. These relationships, along with the educational content of the program, have been reviewed and any potential conflicts of interest have been resolved to the satisfaction of the WVU School of Medicine Office of CME. **Dr. Cohen has indicated that he is on the advisory board for: Gilead, Bristol Myers Squibb, Viiv, Merck and Janssen Pharmaceuticals.**

Pharmacy: Continuing education credits will be provided by the State of West Virginia Board of Pharmacy Continuing Education Program for 6 live hours **pending approval.**

Nursing: This continuing education activity has been provided by the WV Local Performance Site of the PA/MidAtlantic AIDS Education and Training Center for 7.5 contact hours. The WVU Local Performance Site is an approved provider of continuing nursing education by the State of WV Board of Examiners for Registered Professional Nurses. WVBRN provider number WV2000-0303RN.48

Social Work: Social Work Hours are provided by Concord University Social Work Program for a total of 6.25 Social Work credits. Provider number 490047

If your area of specialty is not listed, please personally contact your licensing agency to confirm that they will accept this activity for credit.

The graphic is enclosed in a red border. It features a microscope with a red ribbon draped over it. The text is centered and uses a mix of serif and sans-serif fonts. The title 'HIV in West Virginia Conference' is in a large, bold, red serif font. The date and location are in a smaller, black serif font. The bottom text is in a black sans-serif font.

Sponsored by the WVU School of Medicine
Office of Continuing Medical Education

*This program is supported by an educational grant from
the Health Resources and Services Administration
(HRSA). Grant #5H4A00060*

Program Description.

his tenth annual Ryan White conference aims to update health care professionals on issues relative to care of the HIV infected persons living in West Virginia. This program offers a dynamic course agenda with expert faculty speaking on clinically relevant issues of HIV disease. Topics include Oral Health and HIV, The Teen Brain and Health, Health Care Reform Update, 2014 HIV Therapeutics Update, Disclosure of HIV Status and HIV and Transgender Care. This conference offers WV health care professionals the opportunity to link with agencies around the state in order to enhance primary health and provide improved patient outcomes for persons living with HIV in West Virginia.

Program Objectives.

At the end of this program, participants should be able to:

- I. Describe state of the ART regimens to initiate and identify the controversies about when to start treatments.
- II. Describe implementation of the Affordable Care Act, its successes and challenges to date, and what improvements can be made to best serve people with HIV/AIDS.
- III. Describe ways to create a welcoming environment for transgender patients and list medications commonly used in cross gender hormone therapy.
- IV. Describe the latest trends in the oral manifestations seen in association with HIV disease.
- V. Identify 5 common psychosocial and emotional, mental health, substance abuse and stigma-related issues that make HIV/AIDS disclosure difficult .
- VI. Discuss potential interventions to increase health, encourage communication, and promote positive behaviors in teens.
