A Coordinated Response to Intimate Partner Violence

April 8, 2015

Troy Ball, PFC

Police Officer

Morgantown Police Department

Morgantown, WV

Intended Audience

Physicians, Physician Assistants, Nurses, Nurse Practitioners, Social Workers, Case Managers, and other members of the HIV treatment team.

Program Overview

The purpose of this webinar is to enable participants to identify approaches which the community as a whole may have an impact on reducing violence against women which may reduce her risk of acquiring HIV

Upon completion, participants will:

- Discuss the reasons why coordinated community responses to intimate partner violence are said to be effective in reducing violence against women
- Describe the ways health care practitioners can work collaboratively to reduce domestic violence

PSNA: The Pennsylvania/MidAtlantic AIDS Education and Training Center is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This activity qualifies for 1.0 contact hours.
